

How Tuatara Use Energy from the Sun

Student Inquiry

Use the Schoolgen student fact sheet called **How Tuatara Use Energy from the Sun** (<http://www.schoolgen.co.nz/se/tuatara.aspx>) to help you to answer these inquiry questions.

Inquiry 1

What ways do Tuatara and other cold-blooded animals use the sun's energy differently to warm-blooded animals?

◎ Inquiry 2

If Tuatara get too cold or too hot, what do they do to change their body temperature?

◎ Inquiry 3

What difference does sunlight make to the way Tuatara grow?
